1<sup>st</sup> rule is NEVER  
NEVER leave  
cooking  
unattended!

Keep anything that can catch fire: oven mitts, wooden utensils, food packaging, towels or curtains, away from the stove top.

If you have a pan fire, slide a lid on the pan and turn off the burner.

Children need to be 3-feet from where hot food and drink is being prepared or carried

REMEMBER-  
Keep an eye on  
what your fry!
