Freedom of Information Act Request

The Freedom of Information Act ensures people have access to public records. Other state or federal laws, such as the Privacy and Security Act, may take precedence over the Freedom of Information Act and may prevent access to all or part of the information you have requested. The FOIA requires a reply within five (5) working days, but in most cases this process will only take a day or two excluding weekends and holidays. Copies are free up to the first fifty pages. Each page after that is \$0.15. To assist a search pertaining to your request, please compete all information requested below.
